

Attendee Guide: Adding and Removing Sessions from Your Schedule

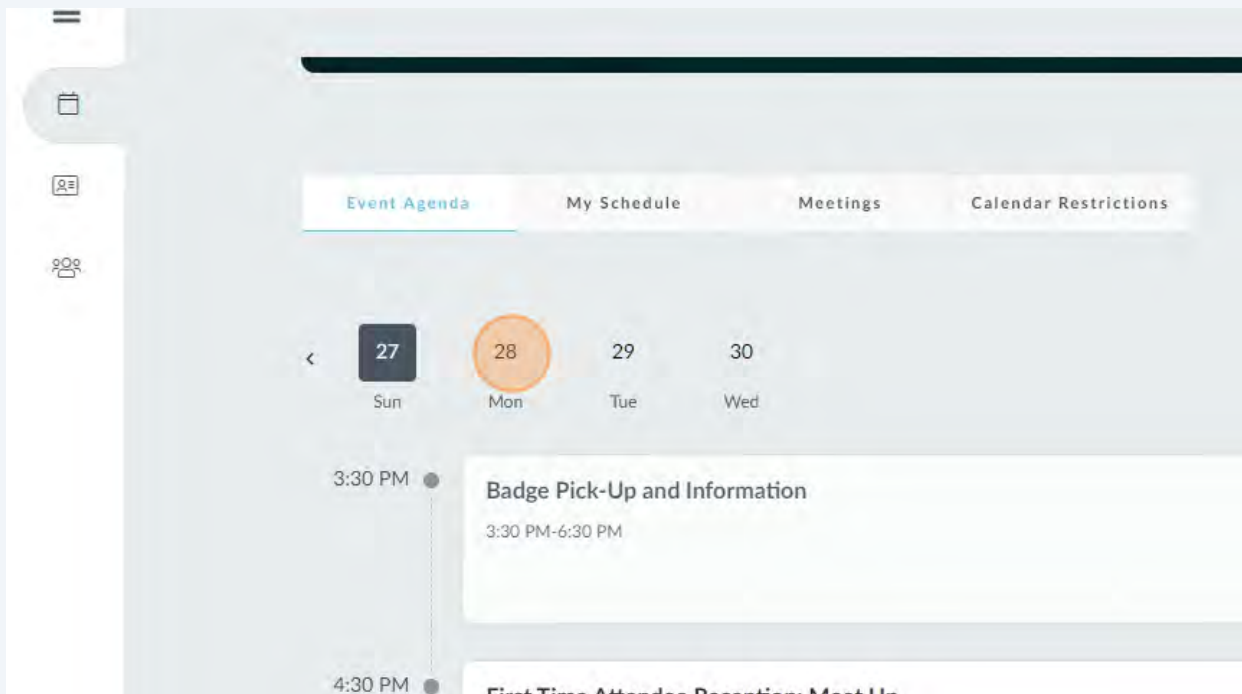

1

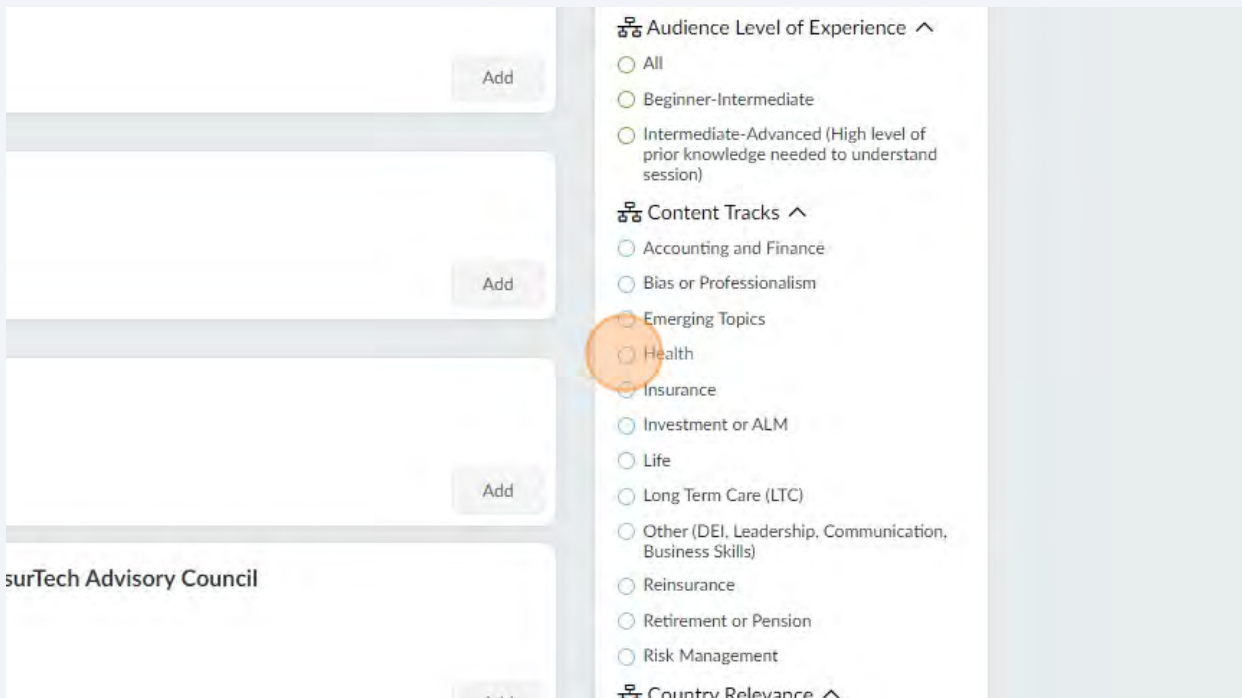

You should have received an email from pd@soa.org confirming your registration for ImpACT. Click the button to "Select Your Sessions." <https://inevent.com/en/2024inperson/2024ImpACTconference/my-agenda.php>

2

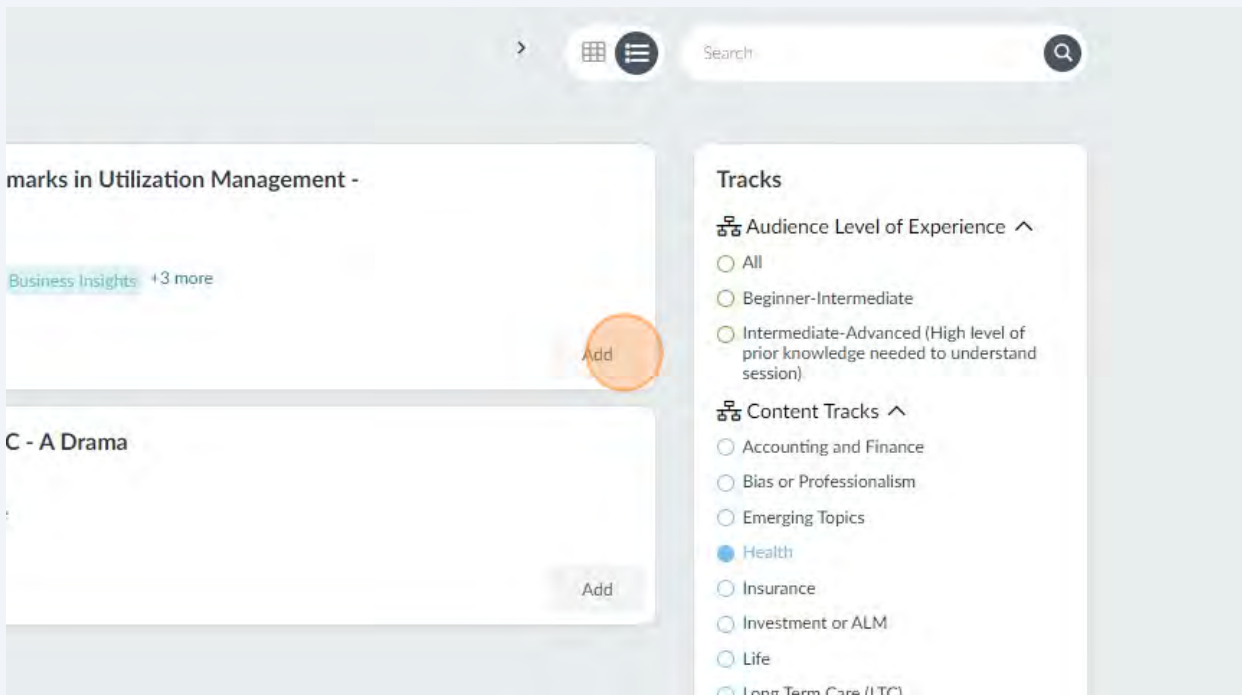

You will be brought to the event agenda. Click through each day to see the full event agenda.

3 Use the filters in the panel on the right to find sessions most relevant to you.

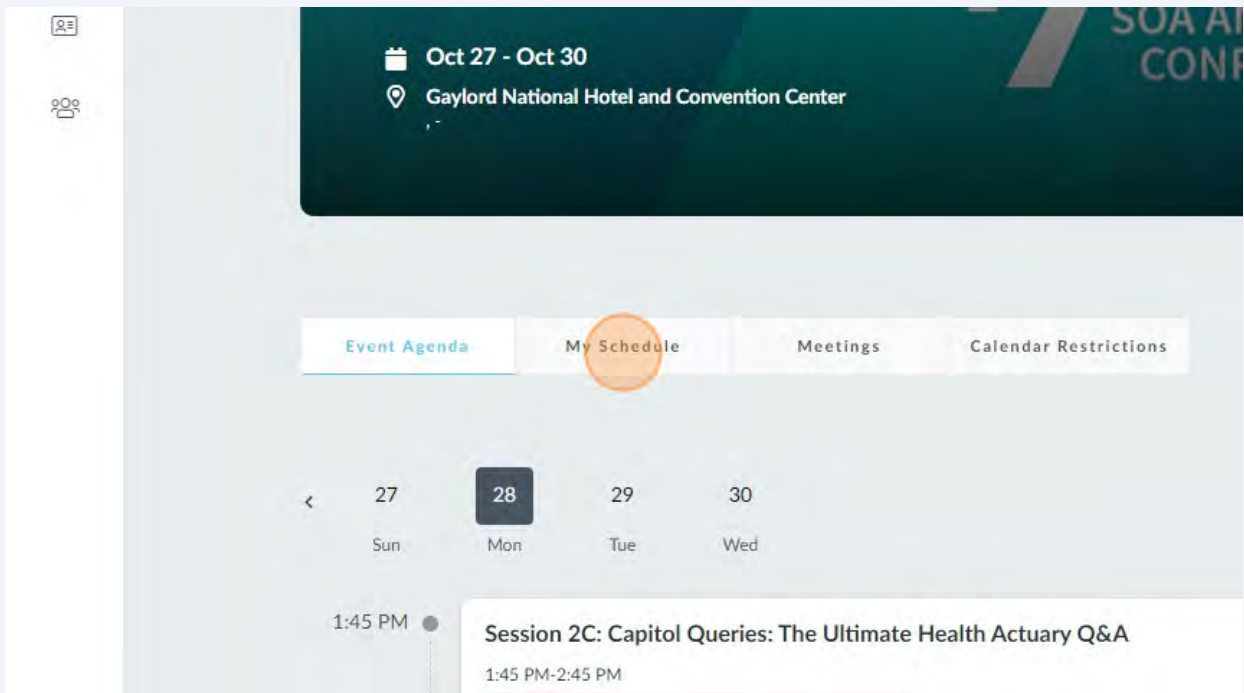

4 Click "Add" to add the session to your schedule. Please note you can only choose one session per time slot.

5 Make sure to scroll to the bottom of the page to see all available sessions.

6 Click "My Schedule" to review the sessions you have added.

7

Click "Remove" if you would like to remove the session from your schedule.
